### **In Partnership with Collette Vacations**

We started working with Collette in 2009 when we were looking for a way to offer international trips to our travelers. We wanted to find a company that shared our core values of providing quality tours, well hosted at a reasonable price. We were not looking for a low-cost alternative. Our first personal experience was when we took about 24 people on the "Shades of Ireland" tour. It was an incredibly positive experience! Since then we have helped others to experience Collette Tours on:

Historic Trains of California; New York City; Canada's Atlantic Coast with Nova Scotia; Pilgrimage to Fatima & Lourdes; Austrian Delight - Oberammergau (coming up again in 2020); Pasadena Rose Parade; Islands of New England; Canadian Rockies & Glacier National Park; Islands of New England; Reflections of Italy; Canadian Rockies by Train; Tropical Costa Rica; Alaska Discovery Land & Cruise and others. Please call if you have one of Collette's many destinations on your bucket list. We can help make it happen!
